

Five Resources in 15 Minutes

1. Explore your group's resource for 5 minutes. Please think about how to describe the resource briefly (about 1 minute).

Group 1: **Sage Research Methods Datasets** (alternate: Data-Planet Statistical Data Sets)

Group 2: **VoxGov**

Group 3: **Early European Books** (alternate: ProQuest Congressional)

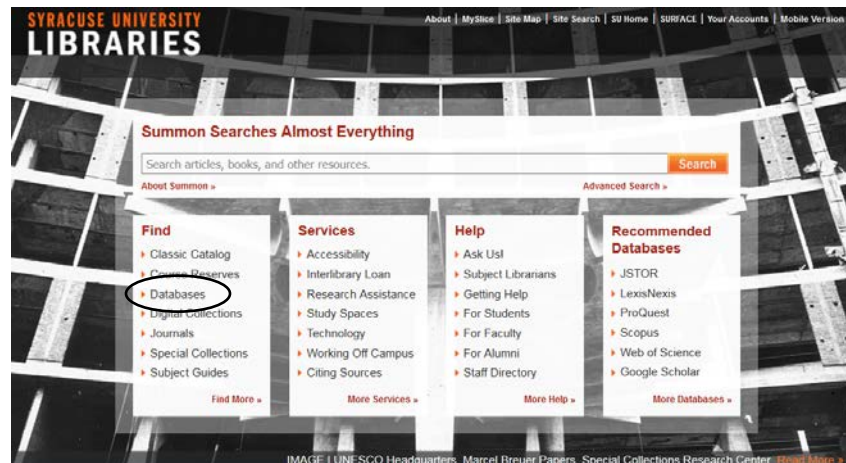

Group 4: **Kanopy** (alternate: Prendismo Collection)

Group 5: Explore one (or more) of the following:

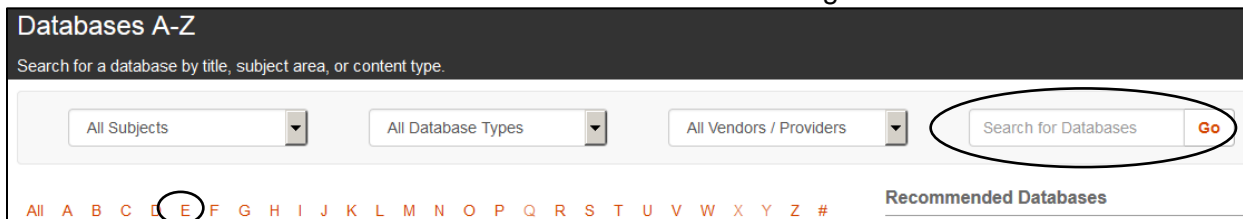

- **Books24x7**
- **Business Source Elite**
- **eMarketer**
- **IBIS World Industry Market Research International**
- **Marketline Advantage**

2. Starting point: <http://library.syr.edu>

Click on: **Databases**

3. Click on the **letter of the alphabet** that matches the first letter in the name of your group's resource, or type the resource name into the **Search for Databases** box at the right

4. Please be prepared to describe your group's resource briefly (about 1 minute).

Sample questions for each group to consider:

- What kind of content did you find in this resource?
- Is the content current or historic?
- For what kind of projects might this resource be useful?
- Who is the publisher/provider of the content?
- How does this resource compare to other resources with which you are familiar?
- Other comments?

Wrap up: Do you have questions or suggestions generally about SU Libraries?
