

Faculty Center for Teaching and Learning

at the iSchool

August 9, 2017

Changes to the FCTL Website

- The events calendar is now housed with past event materials and recordings under **EVENTS**
- We have a diversified set of support pages called **INSTRUCTIONAL QUALITY**, which cover assessment, course planning, ethics, and class activity planning, among other topics. Housed under **TEACHING AND TECHNOLOGY RESOURCES**
- We have an updated search bar, which will allow you to effectively find event recordings, upcoming events, and online support pages to fit your needs. Click the  to open the search and get started. facultycenterischool.syr.edu

FCTL Services for Instructors

- +**One on One consults:** Let's talk! Teaching tough concepts, designing the course, developing class activities, evaluating, grading, balancing your time between job and teaching, etc., we're happy to talk about ways to support you personally. (0.5-1.5 hour)
- +**Classroom Observations:** Having an issue or just want the thoughts of another instructor? We'll arrange to see a class session, or observe online for 2 weeks, then give you feedback. We can also help you add and assess any changes you want to make.
- +**Syllabus Review:** Send us your syllabus for fast applicable feedback (turnover within 3 days).
- +**Classroom Demonstrations:** We can demonstrate any technology you would like to use in the classroom, from online polling to Blackboard and assignment creation tools.

New Projects

Creative Teaching and Learning series 3-5 minute interviews with iSchool instructors and students, showcasing teaching methods and strategies that students value

New Adjunct Orientation Support Guide

Contains information about iSchool culture, instructor avenues of support, and tips from the Faculty Center
